

## PLUMBERS REFERENCE LIST 2019

The following is a list of contractors and businesses that are certified Master Gas Fitters in our service area. Their names are furnished as a courtesy to customers of Wheeler Basin Natural Gas Company.

Please be advised this is a reference list. We do not recommend or endorse any of these contractors, suppliers, and vendors; nor are we responsible for their products, services and work. By no means are these the only sources for natural gas equipment, supplies or piping work in this area. As with any business transaction, the purchaser should take the necessary precautions to ensure that their work is being done by a reputable, experienced individual or firm.
